# WHO WE ARE

## ABOUT US

Skyways Cleaning Services is a registered organisation that has a primary objective of safeguarding the environment. We are an environmental and waste management company on a mission to create a sustainable environment through consultations, environmental assessments and audits, waste recycling, advocacy, partnerships and collaboration.

## VISION – MISSION AND VALUES

## OUR MISSION

Skyways Cleaning Services is born to improve the relation between the humanity and the nature. We want to help cities, municipalities and countryside from waste being disposed by people. We value actions in favour of environment and the proper waste management. Residents will see the rewards of gathering and depositing what they currently see as waste but what will start to be perceived as a gainful resource saving. With Skyways Cleaning Services system, we can reduce the everyday waste.

# VISION

## VISION

One of our main objectives is to contribute to a clean and healthy environment using an integrated approach to waste management and our vision is to become the preferred waste management company in the country and to develop a brand that will partner with our stakeholders and communities to manage & reduce waste from collection to disposal while recovering valuable resources and creating clean environment.
